SOCIAL ENTREPRENEURSHIP

Recognising Social Entrepreneurs in India

AN ENDURING PARTNERSHIP FOR INDIA'S LEADING SOCIAL ENTREPRENEURS

The Jubilant Bhartia Foundation and the Schwab Foundation for Social Entrepreneurship came together in 2009 to promote social innovation in India through the Social Entrepreneur of the Year (SEOY) India Award.

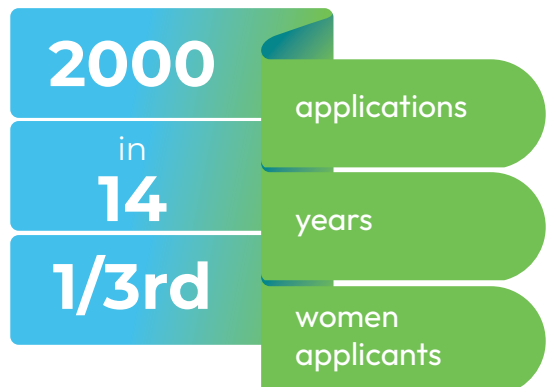

The award platform has since recognised social innovations in India by highlighting the outstanding contributions of social innovators who have transformed lives and communities through their exceptional socio-business initiatives.

The selection process of award follows a stringent due diligence process including a discussion with distinguished jury panel.

Over the last 14 years, SEOY Award India has given Indian social innovators a global platform to expand their impact and reach and is one of the most reputable and coveted awards for social entrepreneurs in India.
