WHO ARE WE

Established in 2007, Jubilant Bhartia Foundation (JBF) is the not-for-profit organisation of the Jubilant Bhartia Group. The foundation focuses on conceptualising and implementing the Corporate Social Responsibility initiatives (CSR) for the Group. The Jubilant Bhartia Foundation's activities include various community development work, healthcare programs, cultural and sports events, environmental preservation initiative, vocational training, women empowerment, educational activities and promotion of social entrepreneurship in India.

A GLOBAL UNPRECEDENTED CRISIS

Different parts of the world are being deeply impacted by the COVID-19 outbreak currently. While the entire world has been caught off guard, the progression of the disease cannot be predicted yet. It is imperative now that we all come together in this hour of crisis to help and support one another. Our support and pro-activeness will be extremely critical in determining our future. With the promise of Caring, Sharing, Growing, the Jubilant Bhartia Foundation (JBF) has been doing community work in the last three weeks in the areas of health & safety, food, sanitization, communication and closely working with the local administration among others.

JUBILANT RESPONSE TOWARDS COVID-19 PRE LOCKDOWN

Communication Outreach with Community, School & Society

Several pro-active awareness workshops (over 50) have been organised at various locations around the company's facilities in India. These awareness workshops were organised within the community with the support of Sarpanchs and local administration, in the local language. The workshops quickly apprised villagers with necessary information on the outbreak of the disease and the precautions to curb its spread. Sessions about the significance of washing hands with soaps, usage of masks & sanitizers, how to maintain social distancing etc were undertaken. Important contact numbers for emergency were also shared with the community to build confidence. School children were educated about COVID-19 though video sessions. The CSR coordinators from the Jubilant Bhartia Foundation team acted as community's contact person for any COVID 19 related requirements within the community. The coordinators immediately helped individuals in need of support and kept themselves abreast about real-time situation at the grass-root level. Pamphlets in local language on COVID-19 awareness were also distributed in communities around our facility.
